“The Great Peak of the West, Daughter of Light with her Name of *MAÂT*”, Divine Mother, Owner of Births and Transformations, Regent of Beings in Righteousness, Helper for those who venerate her, Protector for those who carry her in the Heart her. Mysterious Sovereign who does not support Lies or Greed, whose Love could become Terrible, Queen in her Luminous place.

There resides *Meretseger*,
the Goddess of Silence,
in the form of a Benevolent Cobra,
Secret Patron of the Artisans of the
Place of Truth. “The Daughter
of *RA*, in her name of her *MAÂT*,
in the Heart of the Sacred Region”,
who imposes the Secret on her
Faithful, who opens the Eye
and tests the Heart of the Righteous
and punishes the Perjurers .
She protects the Secret
and Forbidden Valleys where
the Immortal Souls of the Pharaohs
dwell and the Temples
of Millions of years
where their *Kas* Live Eternally.

**You who Love Silence so much!
Incarnation of *MAÂT*,
the Daily Regeneration of
the Sun takes place in the Body

She is the Conqueror of Time
and Molder of Resurrection.
We offer her a Necklace
and a Bouquet of Papyrus
and Poppy Flowers,
Bindweed and Mandrake
Leaves.
She wakes Meretseger.**

It is in *the Place of Truth*, in Egyptian *Set Maât*, where the goddess *MAÂT* reveals herself in the Rectitude, Accuracy and Harmony of the Work of the Artisans. The role of this Brotherhood, its reason for existing, is to incarnate in the Matter the Plan of the Gods.

**“Those who have heard the Call” “Sedjem Ash”,

Righteousness, Law, Truth, Legality

She is a fundamental Goddess
in the Rule of the Pharaohs
as the Supreme Guardian
of the Universal Order.**

***MAÂT* is at the same time
the Eternal Golden Rule
of the Universe,
Truth of the Luminous Life,
Harmony, Justice and Fairness,
it will continue to exist after
the human species and the Earth
itself have disappeared.
In this world and among men
there is a force called *Isefet*,
a natural tendency to Injustice,
Evil, Conflict, Destruction,
Lies, Corruption
and its consequences.**

MAÂT

Between *MAÂT* and *Isefet* no compromise is possible;
one stands on one side or the other.
The Pyramid Texts teach us
that the Pharaoh's Fundamental Duty
is to put *MAAT* in the place of *Isefet*,
Harmony in the place of Disorder,
Justice in the place of Injustice,
Truth in the place of Lie,
Righteousness in the place of Iniquity,
Light in the place of Darkness,
Good in the place of Evil,
Peace in the place of Conflict.

of Truth”**

God puts the String on the Ground and places the Buildings in its Place. None of the Walls erected on this Earth should be deprived of His Presence, for only He Expresses the True Power. By Creating the Worlds, the Divine Architect became perceptible and Transmitted the Secret of His Work. Here, in the Place of Truth, it is Taught that Only What God Builds Is Realized. This is how this Brotherhood Lives and Thinks.

**“To do what is Luminous

Pharaoh offering MAÂT to RE

The entire Egyptian Civilization is based on this notion of the Rule. *MAÂT* is the Myth of the Fundamental State, from where the different orders of Reality, from Spirituality to Economy, decolate. *MAÂT* is at the same time Truth, Justice and Harmony, inseparable from the Person of the Pharaoh, whose Major Role consists of replacing Disorder with the Rule, avoiding the conflicts inherent to Humanity, incapable of regulating itself.

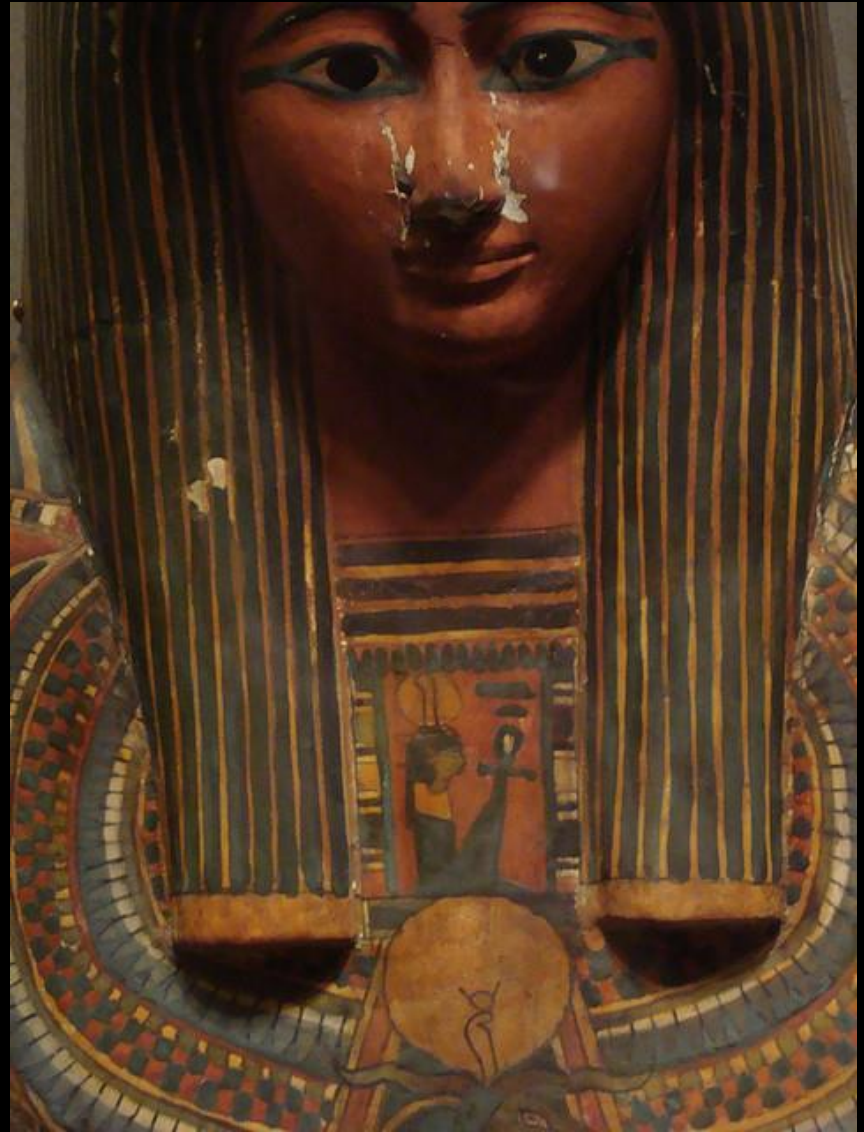

“I know your Value and the Quality of Your Hands that work the Hardest Stone like the Finest Gold. Your Task is demanding and hard, you know how to Communicate with the Materials, whose Hidden Beauty you make Emerge”.

“The Work that you carry out is Primordial for the Happiness of the country and you obtain an intense Joy from it, a Joy that is not of this World. Continue Respecting the Rule of MAÂT, showing yourselves Firm and Efficient; Act in accordance with the Plan of the Master of Works. If you dedicate all Your Love to The Work, no misfortune will break your Arm”.

**The Creative Adventure
of the Egyptian Artisan
was never an Individual Path.
The Masterpieces, carried out
by the Master Builders,
those Consecrated to Eternity,
are not the projection
of Personal Desires but ordered
by the State
following a Sacred
and Theological Program.
Every Creation
is of Community Order,
being the Terrestrial Reflection
of a Universal Harmony.**

**Egyptian Art fascinates, it is inspired by a Demand for Truth,
in accordance with the Eternal Reality, Beyond the Visible
and Exterior, consequence of the Perception of *MAÂT*,
the Harmony of the Universe, the Guiding Principle
that maintains Beings and Things in the Life Flow.**

***MAÂT* is often found in the Valley Tombs,**

and maintains

in Righteousness,
MAÂT is
the Governor of Being:
it is undoubtedly
the Term of Rule
that renders
the best account of the Set
of Ideas that it Incarnates.**
