

Thoth's Power Ritual
By HPHC

FEHU x10, ANSUZ x10, KENAZ x10

*We invite you, Pure Teacher of Teachers,
Lord Thoth, Greatest One,
In the assembly of the Joy of Satan,
Which is your House: A House of Wisdom and Knowledge!
Come to your home!*

WUNJO x10, SOWILO x10, ANSUZ x10

*You are Hermes Trismegistus,
You are Thoth of Egypt,
You, the incarnation of knowledge,
Thank you for the Divine Mind,
Appreciated is your sacred knowledge*

ANSUZ x10, DAGAZ x10, KENAZ x10

*No evil can ever reach you, Thoth,
Even your enemies have succumbed to your wisdom, kindness, and knowledge.
You are the Son of the Truth,
Great is your transference of the Divine Wisdom,
You are Truthful and Unaltered!*

ANSUZ x10, RAIDHO x10, KENAZ x10

*Bestow upon our community and upon me, O Thoth,
Wisdom from your wisdom, knowledge from your knowledge, mind from your mind!
Give abundantly to the worthy ones, so the people will rejoice and say:*

*“Greatest is Thoth, a Master of Masters, a holder of the Key of Keys! He unlocks all the doors!
Now we can go anywhere!
How Holy is He, That All The Gods bow to Him in reverence when He passes through!”*

ANSUZ x10, MANNAZ x10, KENAZ x10

*You travel around the Earth, O Thoth,
And you whisper in the ears of the initiated ones, the worthy ones.
You bring them back with your kind whisper to follow the Truth once again.
We plead from the bottom of our souls to you: “Bring soul remembrance (ανάμνηση), not only
memory (Μνήμη)!”*

KENAZ x10, RAIDHO x10, DAGAZ x10

*Expand my consciousness, O Thoth,
Do not let me dwell in ignorance any longer,
Bring me into the light of the Truth,
Shed the falsehood from my soul,
Fill me with Truth, Wisdom, and Understanding, Great master of all the True knowledge!*

*Then vibrate x10 times “**SATANAS AENAOS**” and then “**THOTH, TEH, TEHUTI, HERMIE, TEHUTH, THEUTH**” x10 times.*

*Then, vibrate **AUM** and affirm once:*

*All this is what you are, Lord Thoth.
You are the messenger of the Truth!*

*May your Wife, Seshat, and you, Lord Thoth, be gracious and always fond of us.
Lead us as we prostrate ourselves in front of your knowledge, shine upon us, and love us!*

***THOTH, TEH, TEHUTI, HERMIE, TEHUTH, THEUTH**, blessed are you!*

*Vibrate **AUM** again and close the Ritual.*
